Swim & Dive Team News

We will be providing materials in the near-future relating to swim and dive team sign-ups. We will be sending reminders via our website and Facebook page. Our coaches will provide more information about when practices will begin after sign-ups. There will be a mandatory parent meeting to be held prior to the first swim and dive practice. At least one parent is required to attend to complete registration and insurance release forms. If at least one parent doesn't attend your child will not be permitted to swim or dive. Parents will be required to work a minimum of two meets. If you can't commit to working two meets you will be responsible for finding a replacement. We will strictly enforce this rule this season.

Volunteers Needed for Continued Success/Operation of Pool

Now is the time for more member involvement. Take pride in **your** pool and future recreation for your family. Please indicate on your membership registration form what you and your family can help out with this summer. We need volunteers before the season opens in the following areas: planting, weeding, grass cutting, minor painting, cleaning of chairs, and the general appearance of the pool. Please stop by before the season opens on the weekend or weeknight and help. If you are unable to perform manual labor we have other ways to help: working swim/dive team meets, donate baked good items for swim meets, Friday night swims, etc. Any help is greatly appreciated.

Have your business/employer advertise/support our pool

The pool will be offering yearly advertising spaces for local businesses to promote their services. Banners will be viewed throughout the summer season and the cost is \$300.00 for a summer of advertising. Please contact any business that you may know that would advertise at our pool.
